This bobal wine is modern and elegant wine, of intense color and bright fruit, with bright cherry-colored tones derived from its great acidity.

On the palate, the fruit is very well balanced; it has a good structure.

The nose presents a range of wild fruits wrapped in fine oak toasted.

In the mouth, the tannins are fleshy and tasty, with a perfect blend between the nuances of fresh fruit and the roasted notes, with a soft and balanced finish of great personality.

Recommended for grilled fish, red meats and semi-hard cheeses

Perfect with Lamb Tagine (with fresh dates and cinnamon), braised lamb shank or with braised veal cheeks with potatoes and red cabbage as a side dish. Best served cold (14-16°C)
