Tempranillo, being our native grape, is perfectly adapted to our terroir. Vines located on a clay and ferrous soil of Cuenca, With a high matured vineyards. Its cultivation is respectfull with the environment.

Ruby with violet hues, bright and clean,

Intense aromas of cassis combined with black currant. Palate: liquorice and black currant notes with a fresh balanced finish.

Persistent berry fruit bouquet. Good acidity with a very "Tempranillo" varietal character.

Recommended with Spanish tapas.
Best served cold (14-16° C)
